

Myth-busting animation transcript

Low Emission Zones were introduced to Scotland's 4 largest cities in May 2022.

Did you know?

Low Emission Zones will improve air quality, protecting the climate, public health and the air in towns and cities.

Low Emission Zones support active and sustainable travel.

You don't need an electric car to drive in a Low Emission Zone.

Funding is available to help people and businesses prepare for Low Emission Zones.

Blue Badge Holders are exempt from Low Emission Zone restrictions.

Low Emission Zones encourage the use of cleaner vehicles.

Local grace periods now apply until enforcement begins.

Enforcement will begin in Glasgow on 1 June 2023, Dundee on 30 May 2024 and Aberdeen and Edinburgh on 1 June 2024.
