

# Make sure you're prepared for Scotland's Low Emission Zones

Check your vehicle is compliant

LEZs set vehicle emission standards on certain city roads with the aim of improving air quality.

Glasgow's LEZ will be enforced from 1 June 2023.

If you drive in Glasgow, Aberdeen, Dundee or Edinburgh you'll need to know about Low Emission Zones (LEZs), which were introduced in 2022.

**Make sure you're prepared**

Protecting public health | Improving air quality

**LOW  
EMISSION  
ZONES  
SCOTLAND**

**Glasgow's  
LEZ will be  
enforced from  
1 June 2023.**

**Aberdeen,  
Dundee and  
Edinburgh's LEZs  
will be enforced  
in 2024.**

**You don't pay  
to enter a LEZ.  
Owners of non-  
compliant vehicles  
will receive Penalty  
Charge Notices.**

**LEZs improve  
air quality and  
help protect  
public health.**

**Blue Badge  
holders are  
exempt from  
LEZ restrictions.**

**Funding is  
available to  
help people and  
business prepare  
for LEZs.**

**Many vehicles  
already meet  
LEZ emission  
standards.**
